

McKean Veterinary Services (“McKean”) seeks a highly motivated, experienced Practice Manager with exceptional interpersonal skills to become a key member of our team.

Our mission at McKean is to help our clients achieve a loving, long term relationship with their pet by providing the best health care and service possible. Our vision is to be recognized as the premier small-animal hospital in our community, offering unparalleled client service to pet owners and cutting-edge veterinary care to pets. Additionally, we aim to provide our employees with a positive and collaborative work environment, one in which fairness, honesty and teamwork are valued.

In the capacity of a leadership role model, the Practice Manager must demonstrate professionalism, passion, commitment, emotional intelligence, attentive listening skills and ability to communicate/implement the Hospital’s practices and policies while engaging and empowering the team members.

The Practice Manager will be responsible for overseeing the day-to-day managerial situations including but not limited to inventory, personnel, client relations, operations and facility management. The Practice Manager must have the ability to multi-task, juggle multiple work streams, and change gears quickly while setting/managing priorities and providing consistent follow through. He/she uses good judgment to differentiate between major and minor issues relating to the care of the clients, patients and staff while resolving any related conflicts that may arise from working within a dynamic environment.

Qualified candidates should have at least 5 years veterinary or healthcare management experience.

McKean is an Equal Opportunity Employer. We offer a competitive compensation package including benefits. Please visit our website for additional information regarding McKean (<https://www.mckeanvet.com>).
